Once You Try Mazola You Will Never Go Back to Lard or Butter for Cookingor Olive Oil for Dressings

F interest to every wide-awake housewife are these important facts about the general use, the quality and the unusual economy of Mazola.

No fat excels Mazola for deep frying. It is far better and a great deal more economical than lard or compounds. Mazola is 100% pure vegetable fat. It contains no moisture. Butter and Lard contain moisture. The same lot of Mazola can be used over and over again—even after frying fish and onions. Merely straining makes it perfectly fresh for use as a

shortening. It carries no odors or flavors from the

foods cooked in it and does not smoke up your kitchen. Shortening

The purity and richness of Mazola best demonstrates itself in the fact that 1/4 to 1/3 less Mazola is required than that of butter or lard. This means that your cakes and pie crust will not only be light, rich and easily digested but will cost you less to prepare. Being an oil, the tiresome "creaming-in process" is eliminated. Mazola is always ready

Thousands of Italians, who certainly

know olive oil, use Mazola. Not only because it costs about half that of the best olive oil, but because of its richness, quality and purity.

For French Dressing, Mazola blends readily-and mayonnaise made with Mazola will keep for weeks without separating.

Important to Housewives

One of the most severe comparative tests ever used on a cooking fat gives unqualified FIRST HONORS

Understand the remarkable economy and high quality of Mazola by these figures.

FRENCH FRIED POTATOES

2 lbs. of Mazola fried 26 lbs. Potatoes 2 lbs. of Lard 2 lbs. of Compound " 111/2 "

Note: Mazola goes over three times as far as lard; is twice as economical as compound.

2 lbs. of Mazola 2 lbs. of Compound " 20

Note: Compare the figures yourself. Even with frying fish Mazola does not smoke up your kitchen.

DOUGHNUTS

2 lbs. of Mazola fried 216 Doughnul 2 lbs. of Lard 144 2 lbs. of Compound " 168

Note: All doughnuts were the same size. Mazola - made doughnuts are more easily digested.

P. S. Reasons for these remarkable figures are explained in column to the left. Read it.

Have a complexion that will stand the closest scrutiny

Is your complexion such that you don't have to worry about it? Will it stand the test of bright lights, and close scrutiny without embarrassing you? If so, the regular use of Resinol Soap will tend to keep it that way. If not begin at once to use Resinol Ointment with Resinol Soap and see what a wonderful alleviator of skin ills this treatment is. Resinol Ointment is perfectly harmless containing only mild, cleansing and healing balsams, which could not injure the tenderest skin.

RESINOL SHAVING STICK also con-tains the Resinol balasms and is a lavorite with discriminating men. At all druggists.
